

Pediatric Physical Therapist – Full-Time / Part-Time

Mid America Rehab is seeking a full-time or part-time Physical Therapist to work with our pediatric population (infants-young adulthood) in our Perryville, Missouri clinic.

We are looking for a caring and ambitious therapist to offer exceptional care in a family friendly environment. Our goal is to help children achieve their greatest potential, enabling them to thrive. You will join a team of compassionate, community-driven, dedicated professionals providing high-quality, effective, and measurable results to our patients.

Qualifications:

Education: applicants must possess a doctorate degree (or, if applicable, a master's degree) in Physical Therapy licensed, certified and/or credentialed, as required in the state of Missouri

Licensure: Must be currently licensed, certified and/or credentialed, as required in the state of Missouri

Skills, Knowledge, and Abilities: Must have general knowledge of evaluation and treatment principles for a diverse number and types of diagnoses. The Physical Therapist must have excellent organization, time management, and communication skills—both verbal and written

Working Conditions, Mental and Physical Requirements: Patient care may include heavy lifting and extensive bending and standing.

Must demonstrate competency in equipment used for the delivery of modalities.

Responsibilities:

Under the direction of a physician order, the Pediatric Physical Therapist administers a specific physical therapy evaluation and plans and implements a treatment program to improve movement and manage their pain.

They evaluate their patients' movement dysfunction and devise a treatment plan in response through prescribed exercise, hands-on care, and patient education. The treatment is based on the patient's physical, developmental, and psychosocial needs.

Develop appropriate treatment goals and methods in collaboration with the patient and caregivers, implement the designated treatment plan, and complete all related documentation and record keeping regarding these services.

Provides advisory service to other team members to provide quality patient care.

Functions under the direct supervision of the Clinic Director(s).

Performs related duties as assigned.

Performs duties and responsibilities in a manner consistent with the standards and values of Mid America Rehab

Position includes pediatric care ages birth to 21 years in school, outpatient, and home settings.

Benefits:

Health Insurance

Supplemental Benefits Options – Vision, Dental, Life, Disability, and more!

PTO & Holiday Pay

401K & Employer match
