

Licensed Occupational Therapist – PRN

Mid America Rehab is seeking a PRN Licensed Occupational Therapist to work in our Ste. Genevieve, Missouri clinic and in-patient hospital based clinic.

We are looking for a caring and ambitious therapist to offer exceptional care in a family friendly environment. Our goal is to help our patients achieve their greatest potential. You will join a team of compassionate, community-driven, dedicated professionals providing high-quality, effective, and measurable results to our patients.

Qualifications:

Education: applicants must be a graduate of an accredited program in occupational therapy.

Licensure: Must be currently licensed, certified and/or credentialed, as required in the state of Missouri.

Skills, Knowledge, and Abilities: Must have general knowledge of conditions and treatment principles for a diverse number and types of diagnoses. The Occupational Therapist must have excellent organization, time management, and communication skills—both verbal and written

Working Conditions, Mental and Physical Requirements: Patient care may include heavy lifting and extensive bending and standing. Must demonstrate competency in adaptive equipment used to improve functional mobility and delivery of modalities. Must exhibit excellent customer service and a positive attitude towards patients.

Responsibilities:

Under the direction of a physician order, the Occupational Therapist administers a specific occupational therapy evaluation and plans and implements a treatment program in accordance with applicable laws, regulations, and Mid America Rehab standards. Implements a treatment program for patients to improve functional mobility, cognition, and manage their pain.

Ensure patients are meeting their treatment goals in collaboration with the physician, patient, and caregivers, when applicable. Implement the treatment plan and complete all related documentation and record keeping regarding these services.

Provides advisory services to other team members to promote quality patient care.

Functions under the direct supervision of the Clinic Director(s).

Make independent decisions when circumstances warrant.

Maintains confidentiality of all proprietary and/or confidential information.

Performs related duties as assigned.

Performs duties and responsibilities in a manner consistent with the standards and values of Mid America Rehab

Position includes patient care for all ages in outpatient settings, inpatient and home settings as needed.

Benefits:

Pay based on experience.

To apply, please send resumes to info@midamericarehab.com or in person at 21964 Highway 32, Ste. Genevieve, MO 63670.
